Learn the Stories Behind America's Greatest Monuments

Original Smithsonian Networks Program Coming to Blu-Ray & DVD Sept. 23rd

LOS ANGELES — Sept. 1, 2008 — For Immediate Release — Learn the stories behind America's greatest monuments and feel what it is to be an American when the original Smithsonian Networks program *America's Greatest Monuments: Washington, D.C.* comes to Blu-Ray disc and DVD Sept. 23 from Infinity Entertainment Group.

We study them in school and visit them by the millions. They are world-renowned symbols of our nation. But they are also shrouded in misinformation, mystery and mythology. How much do we really know about *America's Greatest Monuments*?

Appreciate our capitol's greatest shrines on a whole new level – from the war memorials to the monuments honoring America's founding fathers to Arlington's eternal flame – in Smithsonian Networks' original program *America's Greatest Monuments: Washington, D.C.*

These soaring tributes in stone, steel, soil and sky have amazing stories to tell. They are a permanent record of our nation's history and evolution into the world's greatest democracy, a country of the people.

America's Greatest Monuments: Washington, D.C. is presented in 5.1 Dolby Digital Surround Sound. Standard definition DVD is presented in widescreen (aspect ratio 16:9) and Blu-Ray disc is presented in widescreen (aspect ratio 16:9) 1080i. Special features include closed captioning on SD DVD and subtitles on Blu-Ray disc.

Smithsonian Networks is a joint venture between Showtime Networks Inc. and the Smithsonian Institution. It was formed to create new channels to showcase scientific, cultural and historical programming based largely upon the assets of the Smithsonian Institution, the world's largest museum complex. Smithsonian Channel features original documentaries, short-subject explorations and innovative and groundbreaking programs highlighting America's historical, cultural and scientific heritage.
